

Library Fund donates an Australian Identity Library Collection

At our First Nations Celebration, we also launched a new *Australian Identity* library collection funded by the YVG Library Fund. The accompanying artwork was created by Alinta Koehrer (YOG 2013) who is a Woi-Wurrung Wurundjeri and Yorta-Yorta Traditional Owner through her mother and grandmother. Professor Larissa McLean Davies, YVG Board Member, Deputy Dean of Melbourne Graduate School of Education and Professor of Teacher Education at the University of Melbourne, spoke on the *Decolonisation of the Curriculum*. Thank you to all those who have contributed to the Library Fund and helped make this collection possible.

Kind regards,
